RESOLUTION 12162014 B

Resolution to declare support for Communities That Care (CTC) in Prairie View

This is a resolution to endorse the Communities That Care (CTC), a community health prevention program (www.communitiesthatcare.net) for the City of Prairie View, as directed and proposed by Prof. Sam Arungwa, a certified CTC trainer and citizen of Waller County;

1. Whereas CTC is one of the most effective, sustainable, and efficient (ESE) model for communities to prevent socio-economic problems related to crimes, diseases, and poverties (CDPs);
2. Whereas this Prairie View city council was elected to help prevent the risks of social-economic problem such as CDPs that threaten our voters and taxpayers;
3. Whereas Prof. Arungwa has conducted several workshops and CTC-awareness research over the years;
4. Be it therefore resolved that the City of Prairie View City Council hereby supports the immediate adoption of Communities That Care (CTC) at Prairie View and Waller County, being directed by Prof. Sam Arungwa, as this CTC provides the needed evidence-based programs (EBPs) that are scientifically proven to save our taxpayer dollars and also protect vulnerable populations. The City of Prairie View is committed to social economic developments, and this (CTC) model (www.communitiesthatcare.net) is very consistent with our goals because it is effective, sustainable, and efficient (ESE):

a). CTC is proven to be "effective" in the use of evidence-based practices (EBPs) to significantly reduce and prevent juvenile crimes and problem behaviours;

We further resolve that by signing this resolution, we pledge to work together with Prof. Sam Arungwa, and all our CTC stakeholders, to help ensure that the City of Prairie View and Waller County becomes the best communities in Texas, America, and the world!
