Communities That Care

Community Plan Implementation Training

Overview

Implementing the *Communities That Care* system

Communities That Care

Community Plan Implementation Training goal

The goal of this training is to ensure that the Community Board has the skills and resources necessary to implement the Community Action Plan and sustain the *Communities That Care* effort.

Objectives

Communities That Care

Participants will be able to:

- implement strategies to fund the Community Action Plan
- ensure high-fidelity implementation of tested, effective programs, policies and practices
- monitor program- and community-level outcomes and modify the plan as needed.

Phase Five: Implementing and Evaluating the Community Action Plan

Communities That Care

Module 1 Overview

WE ARE HERE.

Wrap-up and evaluations

Ground rules

Communities That Care

Everyone gets a chance to speak.

Everyone listens when someone has the floor. (No side conversations.)

One person talks at a time and doesn't get interrupted.

Respect others' perspectives and ideas. (No put-downs.)

Start and end on time.

Outcome-focused planning

Communities That Care

Planning

Vision for healthy youth

Community-level outcomes

Behavior outcomes

- Decrease in problem behaviors

Risk- and protective-factor outcomes

- Increase in protective factors
- Decrease in risk factors
